

CAMP VESPER POINT
OLD LODGE INFORMATION

The Old lodge has a kitchen, two large meeting areas (one where you eat and includes a fireplace, the other is just a large room) and two bedrooms (two bunks each) with their own bathroom. One bottom bunk in each room is a full-size mattress.

The old lodge is not equipped with any video or sound equipment. There is a wood-burning fireplace in the main room.

The kitchen is equipped with:

- One standard size refrigerator
- One standard size stove and oven
- One coffee maker and filters
- One standard size dishwasher
- Enough plates, glasses, and silverware for up to 30
(we do not provide coffee cups, so you might want to bring styrofoam cups)
- Cooking utensils
- Pots and pans
- Ice Machine
- Dishrags & Paper towels
- Dish soap
- Trash bags

The adjacent cabin you will be using has four bedrooms, each with two bunk beds, except one room that only has three beds. There are two bedrooms on each side of the hall that each share a bathroom.

Before you leave, we ask that you clean up after yourself as much as possible, leave all trash in closed bags inside by the kitchen door, and leave dirty dishrags in the sink.

One of our staff will be at camp to greet you when you arrive.

If you have any questions, please feel free to give us a call.

We look forward to seeing you at camp.
