CONFIDENTIAL FINANCIAL ASSISTANCE APPLICATION

Applications received are considered on a first come, first-serve basis and are distributed as funds allow.
Deadline for summer 2024: March 15, 2024

Each summer it is our joy and privilege to help provide financial assistance for boys and girls to attend camp. Our funds are limited, and financial assistance is based on financial need and extenuating circumstances. If additional comments, specific needs, or special circumstances need to be brought to the attention of the Financial Assistance Committee, please write those on the second page of this application.

This form must be submitted no later than March 15, 2024.

The Financial Assistance application will be submitted to the committee only after the camper has been registered online. The maximum amount of assistance given is 50% of registration cost. If a parent pays tuition up front in order to get the Early Bird Discount and then applies for financial assistance, the office will apply funds to the account for reimbursement.
Your portion of camp fees must be paid in full before your child's camp session begins.
